CLARIFICATION 2: REQUEST FOR PROPOSAL FOR DESIGN, CONSTRUCTION, OPERATION AND MAINTENANCE OF WASTEWATER AND FAECAL TREATMENT PLANT IN THE COUNTY GOVERNMENT OF MOMBASA THROUGH JOINT VENTURE

No	Description Queried	Clarification
1	In light of the circumstances, we respectfully request your office to reconsider the possibility of extending the closing date for the RFP	<i>Respectfully, the bids will be opened on 15TH JANUARY, 2025 at 10.00am (EAT) at MOWASSCO Boardroom in the presence of bidders or their representatives who chose to attend</i>
2	The FINANCIAL PROPOSAL forms (FIN-1, FIN-2, and FIN-3) seems more appropriate for a service of a consultant than a Developer / Investor. As a developer / investor, we find ourselves unclear about the relevance of the financial offer at this stage. We would appreciate your clarification on this matter	<i>Bidders are free to modify the FINANCIAL PROPOSAL forms (FIN-1, FIN-2 and FIN-3) to suit a developer/investor</i>
3	Is the FINANCIAL OFFER intended to encompass the costs associated with conducting the relevant studies, including review of existing conditions, surveys, ESIA, design, and preparation of BOQs, etc.? Furthermore, will the costs associated with these activities be borne by MOWASSCO?	<i>The financial proposal should encompass all the costs. The costs will be borne by the investor/developer</i>
4	Are alternative Proposals acceptable? - Which can solve the problem of wastewater and faecal treatment of the County Government of Mombasa?	<i>Yes, Bidders can submit alternative proposals</i>
